

---

*Questionnaire for parents/carers to complete with children on their transition back to school.*

---

This questionnaire is designed to help inform the staff working with your child about how they have found learning at home, with particular reference to their reading and writing skills. Please read through the questions and support your child in answering any questions that are relevant to them. If you have been using technology with your child, please do complete this form in the same way. This is a Word document, so accessibility features such as Read Aloud (found by clicking on the Review tab) can be used to support completion.

**Tell us about your favourite memory (memories) from the past weeks at home. We have given you some sentence starters to help:**

I really enjoyed making / seeing / spending time...

I enjoyed...

because...

**Have you been enjoying any stories during the past weeks at home? These may have been in the form of films, e-books, audio books, books read by a member of your household or by you. They may be old favourites or a new discovery. Tell us about them, we have given you some sentence starters to help.**

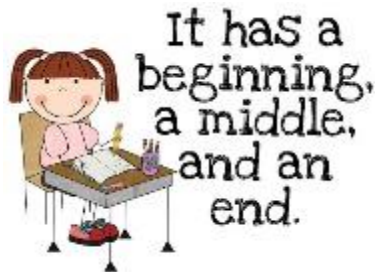

My favourite story is... I really enjoy this story because... My favourite character is... I like this character because...

**Have you made any new factual discoveries or revisited favourite topics during Lockdown?** These may have been in the form of experiments, cooking, practical activities, documentaries, films, e-books, audio books, books read by a member of your household or by you. Tell us about them, we have given you some sentence starters to help.

One fact I have learnt is...    Something I didn't know before was...  
I already knew this, but I find it amazing that...    I was surprised to find out that...

**Have you tried creating any stories of your own? Have you experimented with ways of recording your stories of information you have learned?**

You may have voice recorded, created a cartoon, told another member of your household who wrote your ideas, shared the writing process with another member of your household, used a tablet / phone / laptop, or hand-written a story.
